It Sez Here..

Scoring on the Liberty team has been more or less divided with Griffin, Tieman, and Whitton showing well.

Wash. Senators led in their contest with Liberty, but the Lions have been coming along at fast clip, and Coach Shadday.

Liberty and meet in what a game to be anybody's ball game.

The Lions have played a smashing, fast break brand of ball that has kept opponents on the move

It was amazing and uncanny the way Wash. Senators pulled two coolies out of the fire. In the semifinals, Liberty was leading by 12 points at one time. Not daunted, a "crippled" Wash. crew pulled up to within two points on the spectacular shooting of Kissinger. With scant seconds remaining, a technical was called on the Liberty cagers when a boy was accused of "delaying the game." Kissinger made his gift toss and then punched the ball through the hoops on a field shot with one second to go. It was a tough one for Liberty to lose.
